

We are joined this evening by several Western Australian companies and businesses who have opened their hearts (and their pockets) in support of Breast Cancer Care WA. Please join us in supporting them as they have supported this extremely worthwhile cause.

**SILK**  
LASER CLINICS

SILK Laser Clinics Cockburn is excited to be part of the Boobalicious Ball for their second year as a corporate sponsor. Owned and run by award winning Registered Nurse Bianca Fender, Silk Laser Cockburn is extremely proud to be able to offer Laser Hair Removal, Pigmentation and Vascular Laser, Advanced Skin and Body Sculpting treatments all in the one clinic.

Nurse Fender won the people choice award for favourite cosmetic injector 2020. Along with her elite team of laser /dermal technicians, Nurse Fender works fulltime at her Cockburn clinic offering advanced cosmetic injectables Tues-Sat.

Silk Laser Cockburn offers free non obligatory consults for all treatments.

Call: 9468 2312 for all enquiries.

ZHIVAGO

Helmed by Lara Kovacevich, ZHIVAGO was launched in 2012, rapidly developing a devoted cult-like following for their signature fusion of impeccably tailored ready-to-wear, architectural separates and high-octane evening wear. Enjoying global renown, the label is stocked in boutiques worldwide as well as in Neiman Marcus department stores and Saks 5th Avenue in the USA. ZHIVAGO, an 100% cruelty-free fashion house, is also a label with a broad social conscience, and since their inception, they have been active partners with the WA AIDS Council and Breast Cancer Care WA.

The label's supporters rank as some of the world's most prominent style-makers, influencers and celebrities, including Lady Gaga, Gwen Stefani, Paris Hilton, Nicole Scherzinger, Khloe Kardashian, Cardi B, Bebe Rexha, Alicia Keys, Madonna, Elle MacPherson, Cindy Crawford, Delta Goodrem & many more.

ZHIVAGO also designed the custom outfits for Australia's entrant Voyager in the 2023 Eurovision Song Contest, viewed by over 160 million people.

★ ★ ★  
**EUROPEAN**  
LITHIUM™

European Lithium is a listed (ASX: EUR)(FRA: PF8)(OCT: EULIF) mining exploration and development company focusing on its wholly owned Wolfsberg Lithium Project in Austria. We aim to be the first and largest local lithium supplier into an integrated European battery supply chain. The Wolfsberg Lithium Project is located 270km SW of Vienna, in Carinthia, Austria. The hard rock lithium deposit hosts a JORC resource with exploration upside, benefits from a robust DFS, secured mining permit, binding offtake with top-tier auto manufacturer BMW, and binding agreement to build a hydroxide plant.

Read more about the company at [www.europeanlithium.com](http://www.europeanlithium.com) or contact us [info@europeanlithium.com](mailto:info@europeanlithium.com) | 08 6181 9792

**WEST COAST FORKLIFTS** PTY LTD  
Sales, Service, Repairs and Hire

West Coast Forklifts have been looking after clients' forklifts and material handling equipment for close to 30 years in Perth. Although a family-owned business, they are very well respected by their peers as much as their customers. Starting with just 2 technicians / owners, the company has now grown to employ about 14 people, and they have built a hire fleet of almost 300 Forklifts, Reach Trucks, Walkie Stackers and attachments. Customers include RAC Arena, The Distributors Perth, The Rigging Shed and GBI Logistics, amongst many others, and their hire fleet is based in Perth, Bunbury, Kalgoorlie, Port Hedland, and places in between. No job too small, no job too big, West Coast Forklifts are always here to help.

For further information, please call Keith on 08 9249 6311 or visit [www.westcoastforklifts.com.au](http://www.westcoastforklifts.com.au)

**AIS**  
INSULATION SOLUTIONS

Australasian Insulation Solutions Pty Ltd (AIS) has proudly served as a leading Australian-owned supplier since 1995. Founded on a commitment to quality and performance, AIS has become a trusted name in building materials and insulation products across the nation. With over 25 years in the industry, we prioritize sustainability and energy efficiency, contributing to a brighter future for Australia.

Benefiting from global partnerships, we ensure our clients have access to a broad range of superior products. Our expertise spans commercial, industrial, and marine applications, and with our efficient supply chain and expansive warehouse facilities, we guarantee timely and cost-effective solutions for projects of any scale. Trust AIS for your building materials needs.

**RAPID**  
CRUSHING & SCREENING CONTRACTORS

Rapid Crushing & Screening Contractors is a privately owned Western Australian Company, headed by Managing Director Neil Irvine, commencing operations in Western Australia in 1978 as a provider of quality crushing and screening services to the civil contracting, construction, mining, and resource industries, under contract or hire.

Rapid has now branched out and set up an operating office in Mackay, Queensland and offers our equipment and services across the country. Rapid specialises in the crushing and screening of all types of mineral ores, special class site preparation fill materials on major construction projects, as well as concrete and road aggregates, road base, rail ballast, stemming and armour rock.

Rapid wish the Boobalicious Ball well in their efforts to fundraise for Breast Cancer Care WA and encourage all to celebrate and give to such a caring charity.

**Absolute IT**  
solutions

Absolute IT Solutions is a West Australian company specialising in the design, implementation, and support of information technology solutions for all sizes of business. Our team is passionate about technology and has a great depth of experience. All our team members are backed by industry qualifications in a range of IT fields.

Our strengths lie not only in our knowledge, but in our commitment to building strong and long-lasting relationships with our clients. It's important to us that we first seek to understand your business and then match the appropriate technologies to your business needs. This philosophy has driven our success, seeing the business go from strength to strength through positive word-of-mouth since its inception in 2006.

**TATRA**

Offroad Trucks Australia (OTA) is the importer and distributor for TATRA, a heavy-duty off-road truck produced in the Czech Republic. TATRA is renowned for its exclusive swinging half axle and tubular chassis design, which is highly effective in vibration absorption and offers greater operability on heavy terrain.

OTA are proud to have been aligned with TATRA as their exclusive partner Australasia wide for over 25 years.

As a privately owned family business, OTA appreciate good old fashioned customer service, and will work with customers from concept to completion to determine the best truck solution for their specific needs.
